[Chorus]

Pepsi boys coming to my town. HISASHI-BURI-DANE shake hands.
They are coming from Baltimore, KON-NICHI-WA again.

[Verse-1A]

Remember camp in “Broad Creek” together. Remember fishing and swimming together.
We had a camp fire with “Funny Bunny”. It seems just like yesterday.

[Verse-1B]

When you are going to the “Yamanaka Camp”,
We believe that you can make a beautiful memory.
Birds are flying in the sky. Sunshine reflects in your eyes.
Let’s enjoy this camping for the best friend-ship again.
It’s just the “Funny Bear Camp Yamanaka”. Friend-ship come again.

[Interlude]

[Chorus]

Pepsi boys coming to my town. HISASHI-BURI-DANE shake hands.
They are coming from Baltimore. KON-NICHI-WA again.

[Verse-2A]

We will try to make rafts together. Also try to get some kind of fun.
We may have camp fire with “Funny Bear”. It’s not different from last time.

[Verse-2B]

After you climb Fuji-Yama through the night. You can get the lovely sun rise in the morning.
Birds are flying in the sky. Sunshine reflects in your eyes.
Let’s enjoy this camping for the best friend-ship again.
It’s just the “Funny Bear Camp Yamanaka”. Friend-ship come again.
